### ANSON STRONG ARRESTED Charged with the Perpetration of the Awful Akron Crime. AKRON, Ohio, March 30.—Anson B.

AKRON, Ohlo, March 30.—Anson B. Strong was arrested this afternoon at Ravenna, Portage county, charged with the murder of Mrs. Alvin N. Stone at Tallmage on Saturday night. The evidence on which the charge is based is largely circumstantial. Thirteen years ago Strong was sent to the penitentiary for horse stealing, his conviction being secured by the testimony of Stone. Several years later, after his release from prison, he was arrested again for the same crime and again convicted on the testimony of Stone. He gained his liberty the second time about three weeks ago, and was at once suspected of the murder of Stone and his wife. When taken into custody to-day Strong said he was at the home of his sister in Ravenna all of Saturday night, and that he had gone to church Sunday morning. A search of the sister's house, however, resulted in the discovery of a suit of, clothes and an overcoat which had been placed by a stove to dry. There were no blood stains on the clothing, but Strong's sister and she had washed the garments in an outhouse early this morning. In one of Strong's pockets was found a railroad ticket from Ravenna ta Kent, the latter place being within two miles of the seeme of Saturday night's tragedy. The ticket was purchased last Saturday.

Strong was brought here at 6 o'clock this evening and placed in jail. The news of the arrest soon spread and a big crowd assembled. There was no disorder, but Mayor Harper decided to prevent an outbreak by ordering battery A of the light artiliery to assemble at its armory and await developments. Disturbing Rumors in the Air-Govern-ment Hard Pressed for Money. (Copyright, 1895, by the Ausociated Press.) MANAGUA, Nicaragua, March 30., via

Gaiveston-The police commission con-sisting of Dr. Prudente Alfario, vice sisting of Dr. Prudence Altaria, the president of the Salvador; General Comans, of Salvador, and Senor Ramierez, the Nicaraguan minister for foreign affairs, has returned here from La Paz, where the conference with the representatives of the insurgent Leonists has been held. The terms offered by President Zelaya are understood to have the absolute surrender of all arms, the payment of all war expenses and the surrender for trial by court-martial of the leaders of the insurrection. The insurgents not only refused to accept these terms, but they demanded that President Zelaya turn over to them the government of Nicaragua. Consequently, all hope of peace is gone and the war will be continued with renewed bitterness on both sides.

There are disturbing rumors in the air. The government is said to be hard pressed for funds as well as for ammunition which facts are not unknown to president of the Salvador; General Co-

### AN EARLY EASTER.

Arrives on the Pacific Coast a Week Ahead of Scheduled Time. SAN FRANCISCO, March 30.—A spe-

Alread at Scheduler Time.

SAN FRANCISCO, March 30.—A special from Tacoma, Wash., says: It was Easter Sunday yesterday on the Pacific coast, although probably not more than half a dozen people knew it. Those who did know it are ambitious as mathematicians. They find that the first full moon after the spring equinox put in an appearance on this coast shortly after 10 o'clock Saturday night and it is a fact that the first Sunday after the first full moon after the spring equinox is Easter Sunday the world over.

But in this peculiar case, and to be the first Instance of the kind since the beginning of the Christian era. only this part of the Pacific slope has its Easter Sunday a week in advance of the rest of the world. When the moon filled Saturday night, reckoning by Pacific coast time, It was already Sunday in New York and London. Consequently for the east and the remainder of the world, excepting the Pacific coast, the first Sunday after the first full moon after the spring equinox will not arrive until next Sunday.
